New Safe and Secure Healthy Travel Policies

To help provide a safe and secure travel experience, Allied Tour & Travel will implement the following:

1. Masks should be worn while boarding and unloading the motor coach. Once you are seated on the motor coach, feel free to remove your mask. Masks will be required upon entering restaurants, attractions and hotels unless told differently by each establishment. Some states have mandatory mask laws. Please observe each state's laws.

2. Allied will temporarily assign seats and not rotate (through 10/31/21).

3. In limited situations, some attractions/restaurants may require some proof of vaccination or negative covid19 test. This hasn't happened often but if it does we will notify you as soon as we are aware of such a requirement.

3. All passengers will complete a pre-trip health questionnaire verifying that they are not ill to the best of their knowledge.

4. Our motor coach company, Arrow Stage Lines, uses an EPA Registered CURIS Decontamination System that provides a No-Touch, Whole-Vehicle delivery system which kills 99.9999% of germs so you can be confident in your Allied tour.

5. Motor coaches are cleaned with soap, water, and disinfectants after each trip. Drivers clean surfaces with disinfectants at the end of the day on multi-day tours. Hand sanitizers are available on each bus.

6. All of our vendors (hotels, attractions, restaurants, etc) are taking extra steps to provide a cleaner, healthier travel experience.

7. All passengers are encouraged to purchase travel insurance as this has trip interruption benefits that will protect you in the event you need to interrupt your tour due to covered health reasons (corona virus is covered as well). Interruption insurance helps with medical expenses should you become ill or injured while on tour and you meet the insurance criteria.

Tours are fun and we want to make the experience as enjoyable as possible. These steps will help make traveling a safer one, but note that no travel is ever totally risk free. We will be flexible regarding these policies, adding or deleting depending on current circumstances.
