## New Safe and Secure Healthy Travel Policies

To help provide a safe and secure travel experience, Allied Tour will implement the following:

1. Masks should be worn while boarding and unloading the motorcoach. Once you are seated on the motorcoach, feel free to remove your mask. Masks will be required upon entering restaurants, attractions, and hotels unless told differently by each establishment. Some states have mandatory mask laws. Please observe each state's laws.

2. Allied has returned to rotating seats on the coach each morning after the driver has thoroughly cleaned it. Your tour director will advise you if this policy changes. Anyone not wanting to rotate seats may sit in designated seats in the back of the coach.

3. In limited situations, some attractions/restaurants may require proof of vaccination or a negative covid19 test. This hasn't happened often, but if it does, we will notify you as soon as we are aware of such a requirement.

4. All passengers will complete a pre-trip health questionnaire verifying that they are not ill.

5. Our motor coach company, Arrow Stage Lines, uses an EPA Registered CURIS Decontamination System that provides a No-Touch, Whole-Vehicle delivery system, which kills 99.9999% of germs so you can be confident in your Allied tour.

6. Motorcoaches are cleaned with soap, water, and disinfectants after each trip. Drivers clean surfaces with disinfectants at the end of the day on multi-day tours. Hand sanitizers are available on each bus.

7. All of our vendors (hotels, attractions, restaurants, etc.) take extra steps to provide a cleaner, healthier travel experience.

8. All passengers are encouraged to purchase travel insurance with trip interruption benefits that can protect you if you need to interrupt your tour due to covered health reasons (most insurance policies treat the coronavirus as any other illness). Trip Interruption coverage can help with medical expenses if you become ill or injured while on tour and meet the insurance criteria.

Tours are fun, and we want to make the experience as enjoyable as possible. These steps will help make traveling safer, but note that no travel is ever totally risk-free. **We will be flexible regarding these policies, adding or deleting depending on current circumstances.**
