

New Safe and Secure Healthy Travel Updates

*effective January 1, 2023

- If you'd like to wear a mask while on the coach, you are welcome to. Allied Tour is not mandating wearing masks while on the coach. If conditions should change, we ask that you comply with local ordinances or attraction requirements, and we will have masks available.
- Allied has returned to rotating seats on the coach each morning after the driver has thoroughly cleaned the coach. Your tour director will advise you if this policy changes. If you prefer not to rotate seats, a designated area in the back of the coach will allow you to maintain the same seat throughout the tour.
- In the past, some attractions, restaurants, customs, and/or cruise ships have required proof of vaccination or evidence of a negative Covid19 test. This hasn't happened recently, but we will notify you if it is a requirement for your specific tour.
- All passengers will complete a pre-trip health questionnaire verifying that they are not ill prior to joining the tour.
- What happens if you get ill during the tour?
As with any illness, we request that all customers be proactive in self-assessing and reporting any symptoms they may experience. Ultimately, the Tour Director and Allied Tour management will decide if you may proceed with the group. If you must leave the tour, it will be your responsibility to handle your journey home, and there are no refunds for the unused portion of the tour. Purchase of travel insurance is encouraged. See *Protecting Your Travel* toward the back of the tour catalog, or for more information, call 800-672-1009
- Our motorcoach company, Arrow Stage Lines, uses an EPA Registered CURIS Decontamination System that provides a No-Touch, Whole-Vehicle delivery system, which kills 99.9999% of germs so you can be confident in your Allied tour.
- Motorcoaches are cleaned with soap, water, and disinfectants after each trip—drivers clean surfaces with disinfectants at the end of the day on multi-day tours. Hand sanitizers are available on each bus.
- Our vendors (hotels, attractions, restaurants, etc.) have taken extra steps to provide a cleaner, healthier travel experience.

Tours are fun, and we want to make the experience as enjoyable as possible. These steps help make traveling safer but note that no travel is ever totally risk-free. We will be flexible regarding these policies, adjusting them depending on current circumstances.
